

A still life arrangement of autumn harvest items. In the center, a woven basket is filled with various pumpkins and gourds, including a large orange one, a smaller yellow one, and a white one. To the left, there are several pumpkins and gourds, some with green stems. In the foreground, a large ear of corn with yellow and red kernels is visible. The background is dark, and the overall scene is lit with warm, golden light, creating a cozy and festive atmosphere.
